How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women back to good health.

Mrs. C. E. Ratliff of Hinton, W. Va., writes: "After the birth of my last baby, I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to women. Cardui has benefited them. It does not benefit YOU, unless you take it."

ALKA-SELTZER

The New Pain Relieving, Alkalinizing, Effervescent Tablet

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

Alka-Seltzer is pleasant to take, effective, non-laxative. Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.

## How your MONEY WORKS FOR YOU IN A Checking Account

When you put your money in a savings account you get interest on it. In a checking account you get service for it—and let the bank draw the interest. In return for this interest the bank gives you privileges worth far more to you than the interest itself.

When you maintain a balance commensurate with your use of your checking account privileges, the bank will be reimbursed for the expense of serving you. Otherwise, the bank may properly look to you to meet this expense.

Money in a checking account is an investment that pays you real dividends.

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you are on a farm or if you are one of the few who are not doctored for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do you get Stomach, Headache, Sour Stomach, "That Tired Feeling," "That Morning After" Feeling, Nervousness, Rheumatic, Sciatic, Muscular or Periodic pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

## Painting Porch Furniture

From last school paper

BY WATKINS BANTON

The problem of painting the porch furniture had been a long discussed one at home. Everyone talked about painting it but everybody was afraid to try it. Finally I decided to do it
